

THE MYSTERY OF
The Raddlesham Mumps

Name:

As you listen to Raddlesham Mumps spot..

THE BEST RHYME....Write down all the best rhymes you hear. Perhaps it's the rhyme that sounds the best? Or the rhyme that made you smile or laugh? Or maybe it's just the rhyme that felt SO right.

THE FUNNIEST BITS....Write down all the bits that made you smile and laugh as you listened, and if you can, think about why they made you laugh!

THE SCARIEST BITS...Write down all the bits that made your shiver or just a little bit frightened, and think about why you felt like that.

THE BEST WORDS YOU HEARD...Write down the best words you heard. Why they are the 'best' is up to you. Perhaps it's because they are really long or complicated, or maybe it's because of how they sound, or just because you really, really like them.

THE BEST IMAGE OR PICTURE THE WORDS CREATED....Describe the best image or picture created by Murray's words. Why the image is the 'best' is up to you. Perhaps it's because it's the picture you can most clearly see in your imagination, or perhaps it's the one that made you most scared, or made you laugh the most?
